

MARLEY'S GHOST

MARLEY'S GHOST is Germany's Bob Marley tribute band number one!

The band transports with their stirring, authentic and unrivalled energy not only music and all of Bob Marley's famous songs, but his spirit and message as well.

Sebastian incarnates the "king of reggae" whose distinctive voice brought him the reputation of being the "German voice Bob Marley's" during his musical career. The charismatic singer with German-Indonesian roots is a passionate frontman. Sebastian is able to thrill the crowd and cast a spell over the fans through his appearance.

For many years now the band tours together which takes them all over Europe and even brought them to Jamaica – the cradle of reggae. The band won fame as an outstanding live band because of their musical enthusiasm and passion performing on stage (e.g. festivals like Summerjam, Reggae Sun Ska, Rototom Sunsplash, Chiemsee Reggae Summer).

"One good thing about music, when it hits you, you feel no pain" –

Marley's Ghost means energetic reggae full of commitment and passion that is appreciated by all fans of the "king of reggae"!
